INSPIRE WORKSHOPS

I Am the Author of My Story

LOCATION: 7TH FLOOR

There is healing power in telling your stories. Often, we help other people heal with our stories. Inside each of us is a constant unfolding narrative, a hero in a novel no one else can write. In this session, learn how to channel the power of your own story.

Scarlett Curtis, Curator, *Feminists Don't Wear Pink (And Other Lies)*

STEMinists in Action

LOCATION: 2ND FLOOR

It's time to elevate the amazing women scientists all around us and the science they do. That's what Soapbox Science is all about. In this session, you will be inspired by leading scientists while honing your own skills as a STEMinist.

Alfiah Rizky Diana Putri, Soapbox Science

Dr. Jenny Jaffe, Soapbox Science

Dr. Sian Fodgen, Soapbox Science

Isla Watton, Soapbox Science

Global Feminism Around the World

LOCATION: 2ND FLOOR

Learn how feminism issues look in different countries and communities. Join this riveting conversation on advocacy and activism in diverse regions around the world.

Mailys Ardit, Girl Up Regional Representative, Europe

Yunmei Li, Girl Up Regional Representative, East Asia

You Can Do It! Self-Care & Self-Esteem for Female Leaders

LOCATION: 2ND FLOOR

Being a strong female leader and activist can take a toll on your wellbeing if you forget to put on your own oxygen mask first! Learn how to articulate how you feel inside and gain tangible skills for how to cope, all while building strong leadership skills.

Charlie Webster, Broadcaster and Activist

HONING YOUR SKILLS WORKSHOPS
